

Care to Share? Join Herbal Enthusiasts and Experts at the August Meeting of the San Antonio Herb Society

Ask members of the San Antonio Herb Society about their favorite meeting and many would say the annual sharing session in August. SAHS members bring anything herbal to share with others – it might be plans for a raised three-tiered herb garden, a recipe for rosemary muffins, a newly-discovered book on herb growing, or a method for making scented herbal greeting cards. Handouts, samples and examples are often provided as members gather in a large circle to exchange resources and inspiration. This meeting is a treasury of ideas from some of the best herb growers in the region – us! Join us in August to teach and learn about the useful herbs that we all love.
